STARTING WITH SLCC

APPLICATION DEADLINE

SLCC's application deadline for Fall 2011 will be Friday, August 19, at 11:59 PM and for Spring 2012 will be Wednesday, January 4, at 11:59 PM. This deadline applies only to SLCC's credit programs and will not affect the College's School of Applied Technology and other non-credit programs—including continuing education courses and workshops. Students applying after the deadline are welcome to apply for a future term.

FINANCIAL AID AND SCHOLARSHIPS

Students receiving any type of financial aid must complete all classes. Failure to complete classes may result in a repayment of financial aid or a cancellation of future aid. Please check with the Financial Aid Office before dropping or withdrawing from courses. Complete information can be found in the General Catalog and at all Financial Aid Offices. Financial aid, which includes grants, loans, work-study, tuition waivers and some scholarships, is not available for all programs of study.

All Financial Aid-related communications are sent to students through MyPage/MyMail.

The following programs of study are currently **not eligible** for financial aid:

Aerospace Studies (AF-ROTC)	Esthetics	Motorcycle & Outdoor Power
Apprenticeship Programs	Event and Meeting Planning	Equipment Repair
Cabinetmaking	Genealogy	Pharmacy Technician
Continuing Education	Institute of Public Safety	Real Estate
Developmental Education	Legal Secretary	Travel Planner
Diagnostic Medical Sonography	Library Technician	(List subject to change)
English as a Second Language	Military Science (Army ROTC)	

ASSESSMENT/PLACEMENT TEST

All matriculated students are required to take a placement assessment called Accuplacer before registering for any classes. This assessment determines a student's skill level in the areas of reading, English, and mathematics. ACT or SAT scores less than two years old may also be used to meet the assessment requirements. Students transferring to SLCC should visit our website at www.slcc.edu/transcriptevaluation to learn how to have prior credits evaluated (placement assessment may not be needed). For questions or more information, please visit www.slcc.edu/testing or call Testing Services at (801) 957-4500.

ORIENTATION

New students must complete a new student orientation to be eligible to register for courses before the open registration period. Completing a new student orientation will allow new students to register earlier than those who do not complete an orientation. First-time freshmen must complete mandatory new student orientation in order to register for courses. Orientation programs are designed to help students get started and take advantage of the services, facilities, and opportunities available at SLCC. Visit the Orientation website at www.slcc.edu/orientation for more information on orientation and early registration, as well as for dates, times, and locations of these orientation programs.

ACADEMIC ADVISING

Academic and Career Advisors assist students in the clarification of their goals and in the development of educational plans for the achievement of these goals. Please direct your questions to onlineadvisor@slcc.edu or for more information visit www.slcc.edu/academicadvising.

ID CARDS – OneCard

The OneCard is the official identification card for SLCC. Students must be registered (enrolled in classes) to obtain a OneCard. It is a non-transferable ID card and only the cardholder may present the OneCard for purchases, access, and other privileges. The OneCard provides easy access to College resources such as: Library, Testing Center, Computer Labs, Lifetime Activities Center, admittance to College events, and more. The OneCard also functions as a pre-paid debit card to make purchases at all Food Services locations, College Bookstore locations (including The Quick Stop), Copy Centers, Libraries, The Lair, Information Desk/ID Center locations, and computer labs for printing. Tuition and other student account items may also be paid using the OneCard debit card. For more information or to deposit funds into a Bruin Bucks account, visit any Cashier Office, ID Center, or Information Desk location.

After registering for classes, students may request a OneCard at the Taylorsville Redwood ID Center/main level Information Desk (801) 957-4022, the South City ID Center (801) 957-3407, the Jordan ID Center (801) 957-2600, or the Miller ID Center (801) 957-5379. Students must present a current picture ID and be enrolled in classes for the current semester to obtain a OneCard. The initial card is free to students (\$10 for faculty and staff). Lost or stolen cards must be reported to an ID Center immediately. Replacement cards are available for a fee. For more information, please visit www.slcc.edu/onecard.

PARKING

Parking permits are required at the Taylorsville Redwood Campus, South City Campus, Jordan Campus and Meadowbrook Campus. Permits may be purchased at the Taylorsville Redwood Campus Parking Services (GFSB 103), Courtesy Desk, or Cashier; South City Campus Cashier or Student Center Desk; Jordan Campus Cashier or Courtesy Desk; or Meadowbrook Campus (Building B Front Desk). To obtain a parking permit, students

must provide a current vehicle registration. A sticker will be given with **one** vehicle registration, and a hangtag will be issued with **two** or more vehicle registrations. Parking permits must be placed on the front windshield on the lower left corner (driver's side). Stickers must be entirely attached with their own adhesive backing. Permits must be displayed properly as per instructions on the back of the permits to be valid. It is the driver's responsibility to park legally on all campuses and to display a valid parking permit. **Parking Services will not replace permits that are lost or stolen; it is the student's responsibility to purchase a new one.** Replacing a damaged permit requires returning 75% of the current permit with a small fee. Meters are available at all campuses for visitors to park with meter fee paid. For more information and campus maps, please visit the Parking Services website at www.slcc.edu/parking/.

BUS/TRAX UTA ED-PASS

Salt Lake Community College in partnership with UTA's Ed-Pass Program is providing its students a discounted Ed-Pass for use with TRAX and UTA buses. The Ed-Pass can also be used for a discounted fare on UTA express buses and Frontrunner. In order to be eligible for a pass, an individual must be an active registered student who has been charged all associated fees (including the transportation fee). For more information, please visit any of the Information Desk/ID Centers at the Taylorsville Redwood, South City, Miller, or Jordan Campuses or visit the website www.slcc.edu/onecard/utaedpass.asp.

REGISTRATION INFORMATION

REGISTER ONLINE / MYPAGE

MyPage is the official online gateway to all College services including class registration and tuition and fee payment. Students may register online in MyPage after their official application has been processed and the applicable SLCC placement assessment requirement has been satisfied. To register online, login to MyPage (if needed, select "Get your username and password (New Users)" and follow instructions). After login, select Student tab, under Registration Tools select Add or Drop Classes, select a Term and Submit, Type CRNs (Course Reference Numbers) and Submit Changes OR select Class Search to search for courses and select box to the left of the desired class and select Register at the bottom of that page. For registration assistance in person, please visit "Student Express." Once registered, students can view their schedule in MyPage on the Student Detail Schedule section of the Student tab.

WAITLIST

Effective Summer Term 2011, the new waitlist option is available to students registering for a course section filled to capacity (i.e., closed class). Students registering for a closed class will be offered the opportunity to be put on a waitlist. Students may view waitlist status on the MyPage Student Portal. When a registered student drops a seat in a closed class, the waitlisted student will be notified by email that a seat is open in the class. Once notified by email that a seat is available, the waitlisted student has 24 hours to register for the course. If registration is not finalized within the 24-hour period, the student is dropped from the waitlist. The next waitlisted student is notified by email that a seat is available. Students are offered an open seat based on their waitlist position. Students on the waitlist are not officially registered in the class.

PRIORITY TICKETS DISCONTINUED

Priority Tickets will no longer be issued; tickets issued during Spring 2011 registration will still be honored during the Summer/Fall 2011 Priority Ticket registration period.

AUDITING CLASSES

Students may audit most SLCC classes for the purpose of the learning opportunity they provide, according to the following conditions:

- Tuition and fees will be assessed at the same rate for audited classes as those taken for credit.
- Students are not required to attend, take exams, or otherwise participate in classes audited.
- Students do not receive Attempted or Earned credit hours for audited classes.
- Audited classes appear on student transcripts with an AU grade which is not calculated in term or cumulative grade-point averages.
- Audited classes are not included in enrollment status.
- Students will not be awarded financial aid nor receive veterans benefits for audited classes.
- Audited classes will not be considered part of Satisfactory Progress for financial aid purposes.

Students should declare their intent to audit a class at the time of registration and before the DROP deadline. Exceptions may be recommended by the appropriate administrative authority. For information about Senior Citizens auditing classes, please see the "Senior Citizen Enrollment" section of this guide.

CHALLENGING CLASSES

Students with previous experience or knowledge may challenge courses offered at SLCC by taking a challenge examination. Challenge exams require a \$50.00 fee that must be paid prior to taking the challenge exam. Students may not register for classes prior to attempting the challenge exam. Credits earned by challenge exams do not contribute to enrollment status for financial aid or veteran benefits or toward completion of residency requirements. Upon successful completion of the examination, the courses will appear on the student's transcript with a "P" grade. Unsuccessful completion of a challenge examination will not be recorded on a student's transcript. For further information on Challenge Examinations, please call Testing Services at (801) 957-4500.

CREDIT HOUR LOAD IN EXCESS OF 21 CREDIT HOURS

To register for 22 credits or more, permission must be obtained from the appropriate College department of the student's current program or from the Director of Academic Advising. Enrollment of 12 or more credit hours constitutes full-time status.

DROP/WITHDRAWAL

Students are responsible for officially dropping or withdrawing from classes for non-attendance or for classes the student does not intend to complete within the current semester. The official Add/Drop dates can be found in the "Important Dates and Hours" section of this guide. Official withdrawals are indicated on student transcripts as a "W" grade and will not be calculated as part of the grade-point average (GPA). No refunds are allowed for withdrawing from courses. Students who stop attending class without officially dropping or withdrawing will receive a failing grade which will appear on the transcript as an "E" grade. The "E" grade WILL be calculated into the overall grade-point average (GPA).

HOLDS – ACADEMIC AND FINANCIAL

Academic and financial holds may be placed on a student's record due to past-due tuition, parking fees, library fines, past-due child care fees or insufficient academic progress. Students may view holds placed on their student record in MyPage at www.slcc.edu > MyPage login > Student Tab > Student Records > View Holds. All types of holds must be officially cleared from student records prior to registration for future semesters. Students may ask for hold removal from Cashiering upon full payment of outstanding fees or from Academic and Career Advising in the case of correcting insufficient academic progress.

REGISTRATION ATTEMPTS

Registration attempts in the SLCC student computer system are limited to a manageable number during a semester. If students neglect to register within the allotted registration attempts during one semester, registration privileges will automatically be disabled for the semester. In addition, the use of developed technical programs, registration robot tools, and any other device that interferes with Enrollment Services policy and procedure is prohibited. Students caught using technical devices may be subject to disciplinary action.

REPEAT CLASS OPTION

Students may repeat courses when a low grade is earned. The student must register for the identical course previously completed to qualify for the Repeat Class Option. The original grade earned remains on the student transcript; the repeat grade is calculated into the overall grade-point average (GPA). For information and further instructions, please contact Enrollment Services at (801) 957-4298.

SCHOOL OF APPLIED TECHNOLOGY

The School of Applied Technology (SAT) within Salt Lake Community College provides quality career and technical education in a flexible, competency-based format meeting the needs of students desiring low-cost training in high-skill job fields. To view a current list of available non-credit programs, please visit the SAT website at www.slcc.edu/sat. Students must meet with an advisor at the South City Campus, Room W 137D, to determine eligibility and scheduling of classes in SAT programs.

SENIOR CITIZEN ENROLLMENT

Utah residents age 62 and over may enroll in classes for a reduced fee based on available space. Classes must be taken as Audit (AU) and on a no-credit basis. A registration fee of \$10.00 is paid for each semester of attendance, plus any required books, supplies, parking and lab fees. Senior citizens wishing to take classes as degree-seeking pay the published tuition and fees and are subject to the same standards and regulations as non-senior citizens.

POLICIES YOU NEED TO KNOW

CLASS ATTENDANCE POLICY

Non-attendance or non-payment does not automatically drop a student from the class rolls. Tuition is charged for all courses listed on a student's schedule. Students must officially drop courses within the Add/Drop period established each semester. For more information, see "Refunds and/or Adjustments to Tuition." To maximize registration opportunities for all students, attendance is required for one of the first two class meetings of regularly scheduled classes that meet more than once per week. Students unable to attend one of the first two days of class because of extenuating circumstances must inform the instructor or department office, preferably in writing, with the details of non-attendance. Communication with the instructor or department office will help ensure success for the student.

Students not in attendance who have not contacted the instructor prior to the end of the second class meeting MAY be dropped from the course by the instructor. Students enrolled in classes that meet once per week are required to attend the first class meeting or risk an Administrative Drop for Non-Attendance. Students enrolled in classes of high demand and/or limited availability are particularly vulnerable to a drop for non-attendance. Students dropped will receive full credit for tuition paid. Both dropping and reinstatement are at the instructor's discretion during the first 20% of the term (see "Important Dates and Hours" section of this guide for specific calendar dates).

STUDENT EMAIL (MYMAIL) POLICY

Introduction - All Salt Lake Community College students are issued an email (MyMail) account for use throughout students' college career as a registered student and for two years after the last registration action. Accordingly, email is considered an official channel for communication between the College and students. Email services are provided to students of Salt Lake Community College in support of the teaching, learning, and outreach mission of the College and the administrative functions to carry out that mission. Email may not be used for unlawful activities.

Policy - A College-assigned student email account shall be the College's official means of communication with all Salt Lake Community College students. The College reserves the right to send official communications to students by email with the full expectation that students receive and read emails in a timely fashion.

Assignment of Student Email - Official College email accounts, known as MyMail accounts, are available for all registered and admitted students. Official College communications will be sent to students' official College MyMail address. Students are expected to check their MyMail account frequently and consistently to stay current with College-related communications. Students must ensure sufficient space in accounts to allow for email delivery. Students are required to recognize certain communications as time-critical. Students will not be held responsible for an interruption in the ability to access a message if system malfunctions or other system-related problems prevent timely delivery of, or access to, said message (e.g., power outages or email system viruses).

Course-Related Use of Email - Faculty may assume a student's official College email is a valid mechanism for communicating with a student. Faculty must exercise caution when including sensitive data, such as grades, in email messages. This policy will ensure all students may comply with course requirements communicated via email from course instructors.

Forwarding of Email - Students who "forward" the MyMail account to a private (unofficial) email address outside the official College network address do so at their own risk. The College is not responsible for any difficulties that may occur in the proper or timely transmission or access of email forwarded to any unofficial email address. Any such problems will not absolve students of the responsibility to know and comply with the content of official communications sent to official MyMail email addresses.

Use of a private account requires students to keep the account active and available to receive messages. Some commercially available accounts, such as Hotmail, Gmail, Yahoo!mail, etc., may be automatically blocked if specified storage limit is exceeded or may be automatically closed without regular login activity. Students who choose to forward the SLCC email to a different account are responsible to ensure receipt of official College communications forwarded to the personal account. Salt Lake Community College is not responsible for lost or deleted email due to account closures or storage restrictions.

ALCOHOL/DRUG CAMPUS POLICY

SLCC code prohibits possession, consumption or distribution of hallucinogenic, narcotic or other illegal drugs. The code also prohibits possession, consumption or distribution of alcoholic beverages on any property owned or leased by the College and at any college activity. Campus members may be subject to prosecution by civil authorities for violation of state and federal laws. Violation of the alcohol, tobacco and other drug policies will be handled through the Dean of Students. The sanctions taken may include, but are not limited to: referral for assessment by Health and Wellness Services, appearance before the Student Standards Committee, and/or probation or expulsion.

ALCOHOL AND TOBACCO LAWS	PENALTIES
DUI - It is illegal to drive or be in physical control of a vehicle while under the influence of alcohol or other drugs. Utah's Implied Consent law requires submission to blood alcohol content (BAC) test. Refusal will result in revocation of license for at least 18 months. You are in violation if your BAC is .08 or greater or if you are incapable of operating a vehicle. Accident, injury or death will increase penalties. Class B misdemeanor.
MIP - It is illegal for minors (under 21) to buy, possess (even hold) or drink alcohol.	Up to 6 months imprisonment &/or \$1,000 fine. Class B misdemeanor.
Not-a-Drop - You are in violation if you are under 21, have consumed any amount of alcohol and are driving.	Lose license for 90 days, required substance abuse assessment, & may still face MIP laws.
Open Container - It is illegal to drink any alcoholic beverage while operating, or as a passenger in, a vehicle (parked or moving), or have an open container in vehicle.	Up to 6 months imprisonment &/or \$1,000 fine. Class B misdemeanor.
Selling, furnishing or supplying alcohol to a minor - You are in violation if you provide alcohol to a minor.	Up to 1 year imprisonment &/or \$2,500 fine. Class A misdemeanor.
Intoxication - A person is in violation if he is under the influence of intoxicating liquor or other substances to the degree that the person may endanger himself or others in a public or private place and unreasonably disturb others.	Imprisonment in jail or detoxification center if necessary for protection of self or others. Class C misdemeanor.
Tobacco use or possession - It is unlawful for any person under the age of 19 to purchase or possess tobacco in any form.	Maximum \$500 fine. Class C misdemeanor.
Clean Air Act - Prohibits smoking in a public place, public meeting or any government building (all buildings on SLCC campus) or within 25 feet of a building.	Maximum \$500 fine. Class C misdemeanor.

ALCOHOL HEALTH RISKS

Possible Effects: Psychological & physical addiction, respiratory depression, depression of the immune system, increased risk of accidents, injury due to violence, heart disease, cancer, hypertension, brain damage, impotence at high dosage levels, drunk driving crashes. In addition, alcohol use increases the risk of unwanted sex, unwanted pregnancy, sexually transmitted diseases and acquaintance/date rape. Mothers who drink during pregnancy may give birth to infants with Fetal Alcohol Syndrome or Fetal Alcohol Effect. These infants may have irreversible physical abnormalities and mental retardation. Research indicates that children of alcoholic parents are at greater risk than other people of becoming alcoholics.

Withdrawal Symptoms: Repeated alcohol use can lead to dependence. Sudden cessation is likely to produce withdrawal symptoms including: severe anxiety, tremors, hallucinations and convulsions. Alcohol withdrawal can be life threatening. Long term consumption of large quantities of alcohol, combined with poor nutrition, can also lead to permanent vital organ damage.

Effects of Overdose: Very high doses of alcohol can cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

For more information on the health effects of alcohol, tobacco and other drugs, please visit the Health & Wellness Services website at www.slcc.edu/hw
